THE MEASURE OF SUCCESS

## Life presents new challenges every day.

In the workplace, on the sports field and at leisure we take on challenges and give them our best efforts. Within these pages are ways to recognise those whose performances deserve rewards.

**AwardMaster** has ways to show appreciation, recognise effort or acknowledge achievement with lasting symbols that are as truly magnificent as the performance they mark. Whatever the reason, your choice of trophy, shield or plaque will serve as the ideal award.

The **AwardMaster** selection includes a range of sizes\*, designs, colours and finishes from a variety of materials including timber, metal, acrylic and marble. All the activity motifs are completely interchangeable so that your particular choice can be customised for your purpose.

**AwardMaster** offers superior engraving techniques using the most up-to-date methods, including laser and computer systems. A full art work service is available to reproduce your emblem to personalise your awards and ensure immediate recognition of your club or company, or the invaluable contribution of your sponsor.

Take some time to explore the wealth of ideas offered here, then talk to your friendly **AwardMaster** stockist who can help you to turn your unique requirements into reality.

Buy with confidence - all **AwardMaster** products carry a full satisfaction guarantee of a refund or replacement.

You can be assured that your choice is the right one, an irreplaceable reminder of achievement to be cherished forever - the measure of success.
